Kate, I've left Jack Bowles and Rebecca Cook voicemails saying that you would participate on Tanana Bridge by conference call, and asking for an alternate contact number in case there is any connection problem.

Dan, I've asked Mary Jane Nearman and Aaron Lambert if there is anything to add to the ADEC information on Moose Creek, since Mary Jane said the creek and place are connected with Eielson AFB.

I see that DAA for Intergovernmental Relations, Sarah Pallone, may participate in the meeting. Marianne and I don't think it's needed to try to involve Dennis, and she and I will both be out Friday. Please let me know if I can do anything to help in advance.
